LEEDS PUBLIC DISPENSARY & HOSPITAL.

ONE HUNDRED & EIGHTEENTH ANNUAL REPORT.

The Board of the Leeds Public Dispensary and Hospital has pleasure in presenting the Report upon the work of the Institution for the year ended 31st December, 1942, and whilst the full Report has been abbreviated and many important facts left out until more normal times, no essential facts or figures have been withheld.

The year under review has been one of many difficulties and trials and the Board desires to express its appreciation of the loyal support of the Subscribers, Donors and friends of the Hospital and the hope that the next Annual Report may be presented in happier circumstances.

Many members of the Honorary Medical Staff are on Military Service, which has interfered considerably with the work, particularly in the special departments, but from the following statistics it will be seen that the needs of the Hospital in its service to the Civilian sick and injured are as great as ever.

PATIENTS.

The number of out-patients treated was 39,143, an increase of 4,353 on the previous year, with a total of 130,888 attendances. The average cost of each out-patient was 6s. 5d., and each out-patient attendance 1s. 11d.

Casualties totalled 23,906, an increase of 2,659, and of these 122 were attributable to Road Traffic Accidents. 4,305 operations were performed; 4,525 Radiological examinations and 750 Pathological examinations were made, whilst attendances in the Physio-Therapy department totalled 12,674, an increase of 4,453. Attendances in the Ear, Nose and Throat department numbered 8,168; Ophthalmic department 2,102; Arthritis Clinic 4,954; Surgical dressings 54,284, an increase of 7,851 on the previous year.

In the Almoner's Department 5,582 patients were interviewed, of whom 60 were helped through the medium of outside agencies, and 114 received financial assistance from the Samaritan Funds. Surgical appliances etc., were obtained for 101 patients and convalescence arranged in 25 cases.

FINANCE.

The income for the year, £16,723 2s. 5d., has exceeded the Expenditure by £82 3s. 3d. which, together with £1,000 from the Leeds and District Work-people's Hospital Fund earmarked for the reduction of deficit on Income Account, reduces the accumulated deficit to £3,485 2s. 10d. A provision of

£2,000 has been made in the Income and Expenditure Account towards the renewals which should have been done but have had to be postponed owing to the war.

The amount received from Annual Subscriptions was £1,141 17s. 6d.; Dividends and Interest £2,862 18s. 7d.; Legacies £1,100; Patients' Payments £305 11s. 8d.; Congregational Collections £89 4s. 1d.; Donation Boxes £240 4s. 2d.

The Board again gratefully acknowledges the valuable help the Leeds and District Workpeople's Hospital Fund so generously affords and congratulates the Executive on their successful organisation and the excellent results which have marked the sustained and indefatigable efforts of its members. The amount allocated during the year was £8,200—an increase of £200, and a special grant of £200 per annum has been made towards the increased cost of the Physio-Therapy Department.

The Board also highly appreciates the splendid support given by the Leeds Voluntary Hospitals Fund by allocation during the year of £1,747 5s. 4d., an increase of £243 5s. 4d., on the previous year and heartily congratulates the Committee on the marked progress of the Fund.

DONATIONS AND LEGACIES.

The following notable benefactions are included in the income and to these as well as to all other Donors, grateful thanks are extended.

EQUIPMENT.

The general equipment of the Institution has been carefully maintained. An automatic Control Table has been installed in the X-Ray Department. An Hennovia Carbon Arc Lamp has been purchased for use in the Wards.

An office has been provided for the use of the Matron.

The Physio-Therapy Department has been transferred to one of the Wards for the time being, to meet the large increase of work in that Department.

The Electro-Cardiograph has been loaned to the General Infirmary at Leeds, who have kindly consented to undertake cardiographic investigations for Dispensary patients.

BOARD AND PERSONAL.

It is with regret the Board records the death of Mr. Herbert M. Hepworth, a Trustee of the Freehold and a keen supporter of the Institution for many years.

Mr. Ronald B. Hopkins was elected to the Board to fill the vacancy caused by the death of Mr. William Penrose-Green, J.P.

Mr. T. H. Stodhart resigned his position on the Board owing to his election to the Board of the Leeds General Infirmary. This vacancy was filled by the election of Mr. J. C. Sanderson.

Dr. Leslie Watson resigned his position as Medical Registrar on taking up an appointment at the Leeds General Infirmary. Dr. John A. Young was appointed Clinical Assistant to the Clinic for Rheumatoid Arthritis.

Dr. Jacob Sherne left to take up Military Duties.

MATRON.

On July 1st, the Matron (Miss C. Newsome) resigned on account of ill-health. This resignation was accepted with regret and the Board proposes to name a Cot in the Children's Ward in grateful appreciation of her 31 years devoted service to the Institution.

Miss Elizabeth D. Hughes, the Assistant Matron, who received her training at Manchester Royal Infirmary, was appointed to succeed Miss Newsome.

FIRST AID POST.

As mentioned in previous Reports, the Hospital has been embodied in and forms an important part of the Civil Defence Scheme in Leeds in its capacity of Central First Aid Post, and adequate provision has been made to give immediate medical and surgical aid to Air Raid Casualties. The Board is indebted to the Medical Officers attached to the Post, and to the voluntary workers, both auxiliary and from the permanent staff, for their excellent and enthusiastic service.

TRAINING IN DISPENSING.

In conjunction with the Leeds College of Technology, the Dispensary conducts a course for the Assistants' Examination of the Society of Apothecaries. The Dispensary provides the training in dispensing, pharmacy and *materia medica*. In normal years 15 to 17 women students attend this course, but, due to the large demand for women dispensers as a result of the war, 22 women are attending the course in the present session (1942-43).

THANKS.

The Board acknowledges with sincere thanks the incalculable debt the Dispensary owes to the Honorary Medical and Surgical Staff for their unremitting labours during the year. Cordial thanks are again extended to the District Nurses, the Blood Transfusion Service, the donors of gifts in kind, the City Police, and many other agencies for their material assistance.

CONCLUSION.

The Board is deeply appreciative of the generous help received during the year. This evidence of confidence and recognition of need from all classes of the community is very encouraging to the Board in its endeavours to administer its most efficient treatment to all sufferers who would otherwise be precluded from such benefits as the Institution affords.
